

PROJECT PROFILE

RMAX ECOMAXCI® WALL SOLUTION

Orient Heights Phase 3
Boston, Massachusetts

PROJECT DESCRIPTION

Orient Heights public housing development, sits on 15-acres with 331-unit. It's undergoing an approved multi-phased overhaul, where all existing buildings will be demolished. Those buildings will be replaced with new townhouses and mid-rise buildings ranging from two to five stories. New buildings will contain over 300 public housing units. Residences will include a range of units from one up to five bedrooms.
