**Matthew Stevens Earns REWO Designation**

Matthew L. Stevens, REWO with Sika Corporation in Lyndhurst, NJ has earned the title REGISTERED EXTERIOR WALL OBSERVER (REWO®) from IIBEC. Stevens qualified for this designation by meeting the requirements of a two-part program based on an application process and the successful completion of a challenging examination. Stevens now joins an elite group of over 40 Registered Exterior Wall Observers in the U.S. and Canada.

The REWO registration is administered by IIBEC from its international headquarters in Raleigh, NC and is rapidly gaining recognition throughout North America as a key element preferred by building owners, public and private, when retaining the services of a exterior wall observer.

IIBEC was founded in 1983 as a 501(c)(6) nonprofit organization and its professional members offer unbiased design, repair planning, quality assurance, legal testimony and general roofing, waterproofing, and building envelope services. IIBEC's Registered Exterior Wall Observers adhere to a strict code of ethics which requires the highest possible standard of professional judgment and conduct.
